A discounted bundle of six waterproof Captivating Kids books.

This illustrated book features 20 amazing games for brilliant junior training sessions.

Each card covers one game: explaining how to set it up, different ways to play it and how and why you might make changes to create an appropriate level of stretch and challenge for each player.

On the reverse of each card is a series of questions to help scaffold players' learning: By asking them you will be developing players' ability to think, reflect, and share their ideas.

The reverse side also has a coaching challenge to get you thinking about how your session is experienced by the children who are taking part.

**Simple to Use, unlimited variations.**
Simple to use, unliited variations, these exciting and engaging games that use storytelling to deliver great hockey.

Clear instructions provide a guide to delivering great hockey regardless of your experience as a coach. Each session has examples of how to change the practice to provide an appropriate level of stretch and challenge for all players.

We believe that the games included in Captivating Kids will truly inspire young players to love the game.

**Perfect for ages 5-12 at clubs and schools**
Captivating Kids will give any coach, member of staff, or volunteer the knowledge and confidence to deliver great hockey.

The huge range provides the opportunity to deliver a varied introduction to hockey for beginners, as well as an opportunity for more experienced young players to work on their creativity, skill and teamwork.

Water resistant books, perfect for pitch side.
